

Moderator announcement for Thimon de Jong (WHETSTON)

I like my introductions short and sweet, but feel free to divert from this:

- **“Thimon de Jong is a behavioural expert specialized in what people are going to do *next* - and what that means for leaders & organisations *today*.**
- **He works for clients like Google, Morgan Stanley, Vodafone and Ikea.**
- **He also lectures at the social psychology department of Utrecht University and has written a book called: ‘Future Human Behavior.’**

If you’d like more/different input, please take a look here:
